

Updated COVID-19 Statement

March 16, 2020

The safety and well being of our athletes, families, staff, and community remains our #1 priority. After much deliberation, Oceanside Gymnastics has decided to temporarily suspended our recreational classes until Monday, March 30th. We understand the cancellation of so many regular activities has a significant impact on everyone involved, but we know this is the right decision for our community at Oceanside Gymnastics.

We will continue to closely monitor the CDC, WHO, and local resources for updates and do our part to follow the guidance from federal, state and local officials to help slow and eventually stop the spread of COVID-19. We will use this time to intensify the cleaning and sanitizing of our gym and equipment.

At this time all recreational class accounts will be placed on hold and make-up classes will be readily available when classes resume.

We are confident that our response to this period of heightened concern is appropriate and we look forward to getting back to our regular activities.

Oceanside Gymnastics is proud to be a part of this great community,

Reevon & Mike Bryan
